

INDEX TO VOLUME 62

This volume of the *American Journal of Orthopsychiatry* is indexed by SUBJECTS and AUTHORS.

SUBJECTS

Adolescence

- Adolescent suicide attempts: Outcomes at follow-up, 464
Depressive affect in "normal" adolescents: Relationship to life stress, family, and friends, 430
Family reunification following shelter placement: Child, family, and program correlates, 142
Optimal length of stay in child and adolescent psychiatric hospitalization: A study of clinical opinion, 458
Patterns of adolescent psychiatric hospitalization: Implications for social policy, 447
Runaway and homeless youth: The effects of attachment history on stabilization, 442

Aging

- Long-term effectiveness of a group program for caregivers of frail elderly veterans, 575

American Orthopsychiatric Association

- In memoriam: Eli M. Bower, Ed.D., 164
President, American Orthopsychiatric Association, 1992-93, 324

Anxiety

- Parental death in childhood: Perceived vulnerability, and adult depression and anxiety, 517

Behavior Problems

- Attention deficit hyperactivity disorder: An epidemiological screening method, 387
Family reunification following shelter placement: Child, family, and program correlates, 142
Maternal and environmental characteristics as predictors of child behavior problems and cognitive competence, 409
Role of parent training in treatment of preschoolers with ADDH, 397

Bereavement

- Bereavement support groups for school-age children: Theory, intervention, and case example, 484
Childhood parental death and depression in adulthood: Roles of surviving parent and family environment, 504
Children's reactions in the early months after the death of a parent, 93
Detachment revisited: The child's reconstruction of a dead parent, 494
Parental death in childhood: Perceived vulnerability, and adult depression and anxiety, 517
Perinatal loss: Choreographing grief on the obstetric unit, 7
Psychological tasks for bereaved children, 105

Biological Factors

- Environmentally contaminated families: Therapeutic considerations, 44

- Living near a hazardous waste facility: Coping with individual and family distress, 55

Borderline Personality Disorder

- Self-structure in borderline personality disorder, 618

Case Management

- Social ecology of treatment: Case study of a service system for maltreated children, 22

Catastrophe/Disaster

- Aftereffects of a hostage situation on children's behavior, 309
Psychological responses of rescue workers: Fire fighters and trauma, 371

Child Abuse/Neglect

- Child sexual abuse histories among African-American college students: A preliminary study, 475
Effects of statutory requirements on child maltreatment reporting: A comparison of two state laws, 284
Preschool child sex abuse: The aftermath of the Presidio case, 234
Rethinking child sexual abuse: An anthropological perspective, 147
Social ecology of treatment: Case study of a service system for maltreated children, 22

Child Care/Day Care

- Influence of day care experiences and demographic variables on social behavior in kindergarten, 137
Preschool child sex abuse: The aftermath of the Presidio case, 234
Satisfaction with child care arrangements: Effects on adaptation to parenthood, 165

Child Custody

- Differences between fathers with joint custody and noncustodial fathers, 186
Impact on children of abduction by a parent: A review of the literature, 599

Child Development/Rearing

- Correlates of maternal directiveness with children who are developmentally delayed, 219
Factors affecting parents' perceptions of temperament in early infancy, 71
Family functions and children's postdivorce adjustment, 613
Funding Head Start: What are the issues?, 9
Influence of day care experiences and demographic variables on social behavior in kindergarten, 137
Marital satisfaction among parents of the severely mentally ill living in the community, 552
Parental divorce, adolescence, and transition to young adulthood: A follow-up study, 421

Family functions and children's postdivorce adjustment, 613
Funding Head Start: What are the issues?, 9
Influence of day care experiences and demographic variables on social behavior in kindergarten, 137
Marital satisfaction among parents of the severely mentally ill living in the community, 552
Parental divorce, adolescence, and transition to young adulthood: A follow-up study, 421

- Runaway and homeless youth: The effects of attachment history on stabilization, 442
- Satisfaction with child care arrangements: Effects on adaptation to parenthood, 165
- Shared parenting in dual-income families, 83
- Taxonomy of children's coping strategies: A step toward theory development, 256
- Temperament and adjustment in young adulthood: A 15-year longitudinal analysis, 564
- Child Psychiatry**
- Aftereffects of a hostage situation on children's behavior, 309
- Attention deficit hyperactivity disorder: An epidemiological screening method, 387
- Bereavement support groups for school-age children: Theory, intervention, and case example, 484
- Childhood parental death and depression in adulthood: Roles of surviving parent and family environment, 504
- Children of survivors of the Nazi Holocaust: A critical review of the literature, 342
- Children's reactions in the early months after the death of a parent, 93
- Detachment revisited: The child's reconstruction of a dead parent, 494
- Family functions and children's postdivorce adjustment, 613
- Impact on children of abduction by a parent: A review of the literature, 599
- Locus of control as a mediator of negative divorce-related events and adjustment problems in children, 589
- Optimal length of stay in child and adolescent psychiatric hospitalization: A study of clinical opinion, 458
- Parental death in childhood: Perceived vulnerability, and adult depression and anxiety, 517
- Psychological tasks for bereaved children, 105
- Role of parent training in treatment of preschoolers with ADDH, 397
- Traumatized children and the news media: Clinical considerations, 379
- Chronic Mental Illness**
- Early life experiences and residential stability: A ten-year perspective on sheltered care, 535
- Family psychoeducational support groups in schizophrenia, 206
- Marital satisfaction among parents of the severely mentally ill living in the community, 552
- Out of mind—out of sight, 330
- Victimization and traumatic injuries among the homeless: Associations with alcohol, drug, and mental problems, 525
- Community Mental Health**
- Early life experiences and residential stability: A ten-year perspective on sheltered care, 535
- Environmentally contaminated families: Therapeutic considerations, 44
- Funding Head Start: What are the issues?, 9
- Living near a hazardous waste facility: Coping with individual and family distress, 55
- Marital satisfaction among parents of the severely mentally ill living in the community, 552
- Privatization of mental health services: The invisible hand at our throats [Editorial], 328
- Proliferation of rhetoric and the poverty of ideas [Editorial], 482
- Cross-Cultural/Sociocultural Issues**
- Cross-cultural perspectives and codependence: The case of poor Hispanics, 245
- Cultural consultant in mental health care: The case of an Arab adolescent, 359
- English-only movement: Implications for mental health services, 6
- Functional somatic symptoms: A cross-ethnic comparison, 605
- Rethinking child sexual abuse: An anthropological perspective, 147
- Depression**
- Childhood parental death and depression in adulthood: Roles of surviving parent and family environment, 504
- Depressive affect in "normal" adolescents: Relationship to life stress, family, and friends, 430
- Parental death in childhood: Perceived vulnerability, and adult depression and anxiety, 517
- Developmental Disabilities**
- Correlates of maternal directiveness with children who are developmentally delayed, 219
- Diagnosis and Classification**
- Attention deficit hyperactivity disorder: An epidemiological screening method, 387
- Living near a hazardous waste facility: Coping with individual and family distress, 55
- Omissions in assessment of work roles: Implications for evaluating social functioning and mental illness, 469
- Patterns of adolescent psychiatric hospitalization: Implications for social policy, 447
- Psychotherapy of patients with complex partial seizures, 35
- Recent trauma in psychiatric outpatients, 545
- Taxonomy of children's coping strategies: A step toward theory development, 256
- Typology of men who batter: Three types derived from cluster analysis, 264
- Divorce/Separation**
- Family functions and children's postdivorce adjustment, 613
- Impact on children of abduction by a parent: A review of the literature, 599
- Locus of control as a mediator of negative divorce-related events and adjustment problems in children, 589
- Parental divorce, adolescence, and transition to young adulthood: A follow-up study, 421
- Education**
- Funding Head Start: What are the issues?, 9
- Environment**
- Environmentally contaminated families: Therapeutic considerations, 44
- Living near a hazardous waste facility: Coping with individual and family distress, 55

Epidemiology

- Attention deficit hyperactivity disorder: An epidemiological screening method, 387
 Environmentally contaminated families: Therapeutic considerations, 44
 Living near a hazardous waste facility: Coping with individual and family distress, 55

Ethnicity/Race/Minorities

- Child sexual abuse histories among African-American college students: A preliminary study, 475
 Cross-cultural perspectives and codependence: The case of poor Hispanics, 245
 English-only movement: Implications for mental health services, 6
 Functional somatic symptoms: A cross-ethnic comparison, 605

Families

- Child temperament, maternal adjustment, and changes in family life style, 178
 Childhood parental death and depression in adulthood: Roles of surviving parent and family environment, 504
 Children of survivors of the Nazi Holocaust: A critical review of the literature, 342
 Children's reactions in the early months after the death of a parent, 93
 Environmentally contaminated families: Therapeutic considerations, 44
 Family functions and children's postdivorce adjustment, 613
 Family psychoeducational support groups in schizophrenia, 206
 Family reunification following shelter placement: Child, family, and program correlates, 142
 Living near a hazardous waste facility: Coping with individual and family distress, 55
 Satisfaction with child care arrangements: Effects on adaptation to parenthood, 165
 Shared parenting in dual-income families, 83
 Transfer of psychiatric inpatients: The family perspective, 303

Family Therapy

- Cross-cultural perspectives and codependence: The case of poor Hispanics, 245
 Cultural consultant in mental health care: The case of an Arab adolescent, 359
 Environmentally contaminated families: Therapeutic considerations, 44

Family Violence

- Effects of statutory requirements on child maltreatment reporting: A comparison of two state laws, 284
 Group treatment program for abusive husbands: Long-term evaluation, 276
 Typology of men who batter: Three types derived from cluster analysis, 264

Fathers

- Differences between fathers with joint custody and noncustodial fathers, 186

Group Treatment

- Bereavement support groups for school-age children: Theory, intervention, and case example, 484

- Group treatment program for abusive husbands: Long-term evaluation, 276
 Long-term effectiveness of a group program for caregivers of frail elderly veterans, 575

Holocaust Survivors

- Children of survivors of the Nazi Holocaust: A critical review of the literature, 342

Homelessness

- Out of mind—out of sight, 330
 Runaway and homeless youth: The effects of attachment history on stabilization, 442
 Victimization and traumatic injuries among the homeless: Associations with alcohol, drug, and mental problems, 525

Hospital Psychiatry

- Adolescent suicide attempts: Outcomes at follow-up, 464
 Cultural consultant in mental health care: The case of an Arab adolescent, 359
 Hospitalized young adult: New directions for psychiatric treatment, 297
 Optimal length of stay in child and adolescent psychiatric hospitalization: A study of clinical opinion, 458
 Patterns of adolescent psychiatric hospitalization: Implications for social policy, 447
 Perinatal loss: Choreographing grief on the obstetric unit, 7
 Transfer of psychiatric inpatients: The family perspective, 303

Hyperactivity

- Attention deficit hyperactivity disorder: An epidemiological screening method, 387
 Role of parent training in treatment of preschoolers with ADDH, 397

Infancy

- Factors affecting parents' perceptions of temperament in early infancy, 71
 Satisfaction with child care arrangements: Effects on adaptation to parenthood, 165

Law/Legislation

- Effects of statutory requirements on child maltreatment reporting: A comparison of two state laws, 284
 English-only movement: Implications for mental health services, 6

Marriage

- Child temperament, maternal adjustment, and changes in family life style, 178
 Marital satisfaction among parents of the severely mentally ill living in the community, 552
 Shared parenting in dual-income families, 83

Men

- Group treatment program for abusive husbands: Long-term evaluation, 276
 Typology of men who batter: Three types derived from cluster analysis, 264

Mental Health Care System

- Crumbling service infrastructure: The decline of the nonprofit agency [Editorial], 327
Cultural consultant in mental health care: The case of an Arab adolescent, 359
English-only movement: Implications for mental health services, 6
Funding Head Start: What are the issues?, 9
Intellectual New World Order [Editorial], 4
Out of mind—out of sight, 330
Privatization of mental health services: The invisible hand at our throats [Editorial], 328
Reaching vulnerable populations: A framework for primary service role expansion, 332
Social ecology of treatment: Case study of a service system for maltreated children, 22
Transfer of psychiatric inpatients: The family perspective, 303

Mother-Child Relationship

- Child temperament, maternal adjustment, and changes in family life style, 178
Correlates of maternal directiveness with children who are developmentally delayed, 219
Maternal and environmental characteristics as predictors of child behavior problems and cognitive competence, 409

Neurology

- Environmentally contaminated families: Therapeutic considerations, 44
Living near a hazardous waste facility: Coping with individual and family distress, 55
Psychotherapy of patients with complex partial seizures, 35

Obstetrics/Pediatrics

- Perinatal loss: Choreographing grief on the obstetric unit, 7
Psychiatric status of women presenting for infertility evaluation, 196

Outpatient Care

- Recent trauma in psychiatric outpatients, 545

Parent Education

- Role of parent training in treatment of preschoolers with ADDH, 397

Physical Disability/Illness

- Environmentally contaminated families: Therapeutic considerations, 44
Living near a hazardous waste facility: Coping with individual and family distress, 55
Psychotherapy of patients with complex partial seizures, 35

Poverty

- Cross-cultural perspectives and codependence: The case of poor Hispanics, 245
Funding Head Start: What are the issues?, 9
Victimization and traumatic injuries among the homeless: Associations with alcohol, drug, and mental problems, 525

Professional Training/Supervision

- Reaching vulnerable populations: A framework for primary service role expansion, 332

Psychotherapy

- Adolescent suicide attempts: Outcomes at follow-up, 464
Environmentally contaminated families: Therapeutic considerations, 44
Living near a hazardous waste facility: Coping with individual and family distress, 55
Psychological tasks for bereaved children, 105
Psychotherapy of patients with complex partial seizures, 35
Role of shame in post-traumatic stress disorder, 131

Research

- Children of survivors of the Nazi Holocaust: A critical review of the literature, 342
Intellectual New World Order [Editorial], 4
Proliferation of rhetoric and the poverty of ideas [Editorial], 482

Runaways

- Family reunification following shelter placement: Child, family, and program correlates, 142
Runaway and homeless youth: The effects of attachment history on stabilization, 442

Schizophrenia

- Dynamic vulnerability perspective on stress and schizophrenia, 117
Family psychoeducational support groups in schizophrenia, 206

Self-Help Groups

- Family psychoeducational support groups in schizophrenia, 206

Sexual Abuse/Incest

- Child sexual abuse histories among African-American college students: A preliminary study, 475
Preschool child sex abuse: The aftermath of the Presidio case, 234
Rethinking child sexual abuse: An anthropological perspective, 147

Shame

- Role of shame in post-traumatic stress disorder, 131

Social Behavior

- Influence of day care experiences and demographic variables on social behavior in kindergarten, 137
Omissions in assessment of work roles: Implications for evaluating social functioning and mental illness, 469

Social Policy

- Crumbling service infrastructure: The decline of the nonprofit agency [Editorial], 327
English-only movement: Implications for mental health services, 6
Environmentally contaminated families: Therapeutic considerations, 44
Intellectual New World Order [Editorial], 4
Living near a hazardous waste facility: Coping with individual and family distress, 55
Mental health work in a free-fall economy [Editorial], 162
Out of mind—out of sight, 330

- Patterns of adolescent psychiatric hospitalization: Implications for social policy, 447
- Privatization of mental health services: The invisible hand at our throats [Editorial], 328
- Proliferation of rhetoric and the poverty of ideas [Editorial], 482
- Social Support/Networks**
- Children's reactions in the early months after the death of a parent, 93
- Psychological responses of rescue workers: Fire fighters and trauma, 371
- Reaching vulnerable populations: A framework for primary service role expansion, 332
- Stress/Trauma**
- Aftereffects of a hostage situation on children's behavior, 309
- Children of survivors of the Nazi Holocaust: A critical review of the literature, 342
- Dynamic vulnerability perspective on stress and schizophrenia, 117
- Environmentally contaminated families: Therapeutic considerations, 44
- Impact on children of abduction by a parent: A review of the literature, 599
- Living near a hazardous waste facility: Coping with individual and family distress, 55
- Preschool child sex abuse: The aftermath of the Presidio case, 234
- Psychological responses of rescue workers: Fire fighters and trauma, 371
- Recent trauma in psychiatric outpatients, 545
- Role of shame in post-traumatic stress disorder, 131
- Taxonomy of children's coping strategies: A step toward theory development, 256
- Traumatized children and the news media: Clinical considerations, 379
- Substance Abuse**
- Cross-cultural perspectives and codependence: The case of poor Hispanics, 245
- Victimization and traumatic injuries among the homeless: Associations with alcohol, drug, and mental problems, 525
- Suicide**
- Adolescent suicide attempts: Outcomes at follow-up, 464
- Support Groups**
- Bereavement support groups for school-age children: Theory, intervention, and case example, 484
- Long-term effectiveness of a group program for caregivers of frail elderly veterans, 575
- Temperament**
- Child temperament, maternal adjustment, and changes in family life style, 178
- Factors affecting parents' perceptions of temperament in early infancy, 71
- Temperament and adjustment in young adulthood: A 15-year longitudinal analysis, 564
- Women/Girls**
- Psychiatric status of women presenting for infertility evaluation, 196
- Work**
- Mental health work in a free-fall economy [Editorial], 162
- Omissions in assessment of work roles: Implications for evaluating social functioning and mental illness, 469
